### Overview of Last Year's Fair:

- Judging – Maggie liked the set-up
- Separate tables for classes
- All judges could see what was going on with other classes
- Helped with overall awards at the evening show
- Evening Show
- Liked the smaller stage better
- Could actually see everyone
- People walking in and out of Building could stop and enjoy the show
- Seating **right** next to stage – need to leave a walkway
- Leave more space by the wire walls – angle toward stage and runway

Classes / Revisions – can we do a county/city survey of classes

Send it to Counties to see how they feel about classes

Maggie and Sandy –

Put article in UPDATES – have response about when their Fashion Show is and circulate it at their event.
