

MCE is collecting information in order to update our mailing list database. If you do not provide the requested information you will not receive mailings. Some of the information you provide may be shared with county/state fair associations, National 4-H Council and USDA. Information provided to MCE may also be shared among offices within the University and with the University System of Maryland and outside entities as necessary or appropriate in the conduct of legitimate University business and consistent with applicable law. Because the University is a State educational institution, such information may also be subject to disclosure under the Maryland Access to Public Records Act. Individuals may inspect and/or correct their personal information as provided by the "Public Records Act" and/or other applicable law or University policy.

Issued in furtherance of Cooperative Extension work, acts of May 8 and June 30, 1914, in cooperation with the U.S. Department of Agriculture, University of Maryland, College Park, and local governments. Thomas A. Fretz, Director of Maryland Cooperative Extension, University of Maryland.

The University of Maryland is equal opportunity. The University's policies, programs, and activities are in conformance with pertinent Federal and State laws and regulations on nondiscrimination regarding race, color, gender, religion, age, national origin, sexual orientation, age, marital or parental status, or disability. Inquiries regarding compliance with title VI of the Civil Rights Act of 1964, as amended; Title IX of the Educational Amendments; Section 504 of the Rehabilitation Act of 1973; and the Americans With Disabilities Act of 1990; or related legal requirements should be directed to the Director of Human Resources Management, Office of the Dean, College of Agriculture and Natural Resources, Symons Hall, College Park, MD 20742.
