# 4-H

## SCHOOL ENRICHMENT

UNIVERSITY OF  
MARYLAND

EXTENSION

*Solutions in your community*

Your local 4-H Educator can provide the organizational and resource tools necessary to start and sustain your 4-H school enrichment program.

### 4-H:

- Is nationally recognized in youth development and education
- Receives strong local, state and national support
- Provides easy to use research-based experiential curriculum materials
- Has professionally trained faculty and staff through the University of Maryland
- Has successful partnerships worldwide!

“University of Maryland Extension programs are open to all citizens without regard to race, color, gender, disability, religion, age, sexual orientation, marital or parental status, or national origin.”
