

Directions to

University of Maryland Extension – St. Mary’s Office

From Howard County Anne Arundel, Baltimore, etc.

Take Route 97 South to Route 3/301 South. After Route 50, Route 3 becomes Route 301.

Continue on Route 301 to Route 4 South to Prince Frederick. Stay on Route 4 for about 45 minutes, passing through Prince Frederick and heading toward Solomons. Once in Solomons, stay in left lane and continue on Route 4 over the Johnson Memorial Bridge. Go straight through the light at Route 235 and continue on Route 4 (St. Andrews Church Road) for about 6 miles. Bear right onto Route 5 to Leonardtown.

Make a right at the first light onto Route 245. Proceed approximately 1 ½ blocks and turn left onto Peabody Street.

The Extension Office is in the first brick building on the right (Marek Building), in the same building as the St. Mary’s County Health Department. Park in the big parking lot on the left. Follow the sidewalk between the 2 magnolia trees around to the front of the building.

From College Park and Points in between:

Take the Capital Beltway (Route 495) to Route 5 South /Branch Avenue exit to Waldorf. Pass Surratts Road. Follow signs to Route 5 South towards Lexington Park/Leonardtown. Continue on Route 5 for about 25 minutes. In Mechanicsville, turn right at the WAWA and continue on Route 5 towards Leonardtown.

Travel about 10 miles, and turn left onto Route 245 (first light after St. Mary’s Hospital). Proceed about 1 ½ blocks and turn left onto Peabody Street.

The Extension Office is in the first brick building on the right (Marek Building), in the same building as the St. Mary’s County Health Department. Park in the big parking lot on the left. Follow the side walk between the 2 magnolia trees around to the front of the building.
